

HOW TO GET TO SEAT S.A. FACTORY

STARTING POINT OF THE VISIT:

North Entrance SEAT S.A. Martorell.

From the A2 motorway, take exit 585. Pay attention as there are three lanes. Take the central exit towards Can'Amat, and after 100m, turn left at the roundabout. The North Entrance will be directly ahead.

Each group must arrive in their own coach, which should be less than 4.3m in height. The coach will be used to transport the group within the SEAT S.A. facility during the visit. The visit will not be able to take place if the group does not have their own coach.
